## What is insolvency?

Insolvency is the inability to pay your debts as and when they fall due.

## Insolvency & Business Recovery services

Insolvency can be a stressful and difficult time. At Tenbenschel & Dee our experience shows that if early steps are taken to address problems, the range of feasible options available is greater. We advocate being pro-active and tackling the problems as soon as possible. Our staff have over 45 years of experience and can help you.

Tenbenschel & Dee can advise on and provide a wide range of insolvency and business recovery services including

- Voluntary administrations and deeds of company arrangement
- Company liquidations
- Receiverships
- Bankruptcies
- Personal Insolvency Agreements

At Tenbenschel & Dee, we prefer to assist clients to identify and work through their difficulties (using the formal administrations where appropriate) to regain business and financial health.

Our whole service approach to insolvency means we are also happy to provide related services such as advising businesses which are defending claims from other insolvency administrators.
